THE CANAL TREATY

It Will Be Ratified and Signed as Soon as It is Received by the Junta.

REJOICING ON THE Isthmus.

Minister Bunau-Varilla Authorized to Officially Communicate Decision to the American Government.

The Message to the Panama Minister Is Signed By the Junta and Also By the Minister of Foreign Relations.

Panama, Nov. 27.—The junta, composed of Jose Augustin Arango, Tornasorian, and Manuel Espinosa, held a meeting at 10 o'clock Thursday morning, all the ministers of state and councillors being present, and agreed unanimously to ratify the canal treaty so soon as it is received here and authorize Minister Bunau Varilla officially to communicate the junta's decision to the United States government.

The decision of the junta was received with great joy throughout the isthmus without distinction of parties or classes. Mr. Adams, Walker and Glass have been informed of the action taken by the junta.

Washington, Nov. 27.—Official confirmation of the determination of the Panama junta to ratify the Hay-Bunau Varilla Panama canal treaty was received by Minister Varilla at 3:30 o'clock Thursday afternoon. The state department being closed Thursday, Mr. Varilla communicated the news informally to Mr. Loomis, who is acting secretary in the absence of Mr. Hay. The minister's dispatch is as follows:

"Panama, Nov. 26.—Varilla, minister plenipotentiary of the republic of Panama, Washington: In view of the approbation given by the delegates, Amador and Boyd (the commissioners who were sent by the government of Panama to confer with Mr. Varilla) to the Hay-Bunau treaty, you are authorized to notify officially the government of the United States that as soon as the document is received by the junta of the government of the republic of Panama, it will be ratified and signed. Signed J. A. Arango, Tomas Arrias, Manuel Espinosa. Countersigned by the minister of foreign relations, Do La Esprilla."

Minister Varilla calls special attention to the fact that the message received by him is signed not only by the members of the junta, but also by the minister of foreign relations, which he says gives the communication the character of a formal decree of the government.

The action taken by the Panama junta doubtless is due in part at least to the urgent representations of Minister Varilla that prompt steps be taken with a view to the ratification of the treaty as soon as it shall reach Panama. Last Saturday the minister cabled a long synopsis of the treaty to Panama. Since that time he has been in communication with the government on the subject.

The minister recounted with a great deal of gratification Thursday night the rapid progress of events since the birth of the new republic of Panama three weeks ago, ending Thursday with the declaration of the junta to ratify the Panama canal treaty.

KENTUCKY UNIVERSITY WON.

The Riot Which Was Expected Failed to Materialize.

Lexington, Ky., Nov. 27.—The riot which was expected in the Kentucky university and State college football game Thursday as the result of a bitter controversy carried on for two weeks failed to materialize. This was due principally to the police precautions. Both teams were heavily loaded with ringers for an emergency, it having been agreed that "no question will be asked."

Kentucky university, however, played its regular team throughout, and not a man was put out of the game. State college lined up with "nine ringers," who were displaced six times by other ringers. Kentucky university won by a score of 17 to 0.

Kentucky university made two touch-downs and a goal in the second half. At least \$15,000 was bet on the game. Attendance 5,000.

With the defeat of the University of Virginia by the University of North Carolina Thursday Kentucky university claims the championship of the south. Kentucky university suffered its only defeat from Virginia by a score of 6 to 0 and defeated North Carolina 6 to 5.

BIG WILD HOG.

A Posse Ran It Down and Succeeded in Killing It.

Petersburg, Ky., Nov. 27.—For several months a big and desperate wild hog has been terrorizing the inhabitants in the vicinity of Splitrock, three miles below here, on the Ohio river. Women have been afraid to visit, and school children had to be kept home on account of the depredations of the monster. A posse of men was organized, armed with Winchester, and found the hog in the woods on Col. G. R. Berkshire's farm. The animal was surrounded, but made its escape after so badly wounding a horse belonging to Will Sebra that it bled to death. Frank Clubb, one of the posse, was tossed down a high embankment and badly hurt. Cecil Burns finally fired a load of buckshot into its side at short range, felling it, and it was killed by striking it on the head with a sledgehammer. In all, 15 bullets had been fired into its body. It weighed nearly 600 pounds.

Bovine's Novel Experience.

Frankfort, Ky., Nov. 27.—Clint Shields, near here, owns a remarkable cow. Over a month ago the bovine disappeared. Thursday, a shadow of her former self, she emerged from a strawstack in Shields' barnyard, which had collapsed on her the day she disappeared. Shields says she was on her way out of the stack, and subsistence on a straw diet kept the animal alive.

Louisville Man Killed Himself.

Louisville, Ky., Nov. 27.—When Mrs. George E. Mayer returned from a visit in Cincinnati she found her husband lying on the floor dead. He had pillow'd his head on one of Mrs. Mayer's dresses and fired a shot into his mouth. The bullet came out at the top of his head.

MAY BE LYNCHED.

The Town Marshal at Fairmount Shot and Killed by a Prisoner Under Arrest.

THE MURDERER MADE HIS ESCAPE.

Stores Were Closed That the Men Might Organize the Chase Which at Once Began.

It Seems Certain That the Fugitive Will Die in His Tracks or by Mob Law If Taken to Fairmount.

Fairmount, Ky., Nov. 27.—James J. Payne, town marshal, was shot and killed on the street Thursday afternoon by Harry "Red" Hooper, whom he had under arrest as a suspect for a burglary committed Wednesday night. Hooper also fired twice at Alonso Thomas, who had started to assist the dying marshal as he lay on the street, but both shots missed.

Hooper, after killing the marshal, moved slowly down the street, holding back the gathering crowd with his revolver, and, reaching the edge of town, started toward Van Buren, ordering no one to follow him under penalty of death. News of the tragedy spread rapidly, and stores were closed that men might organize the chase which at once began. Armed business men pressed available vehicles into service and started to surround and kill Hooper, who was released from the penitentiary last May after serving two years for burglary. Others quietly prepared for a lynching. If Hooper should be brought back, it seems certain that if caught Hooper will die in his tracks or by mob law here. The chase has been going on all afternoon. Reports have come in several times that Hooper had been surrounded, but had escaped again. Great excitement prevails here, and news of the chase has been eagerly awaited by the entire population.

Marshal Payne lived but three minutes after being shot. He and Deputy Armstrong had arrested Hooper and had walked three squares toward the jail with him when he stopped suddenly, jumped back, and, drawing a revolver, announced that he would go no further. The officers retreated a few feet, but Marshal Payne advanced toward Hooper to again arrest him, when he was shot in his tracks. The marshal was a popular officer.

All of the pursuers of Hooper have returned except the party containing Sheriff Mills and his deputy, Williams, and Capt. George, of the Marion police force. The others searched till dark and returned. It is reported that Arrell Payne, a nephew of the dead man, fired at Hooper as he crossed the railroad. He got away. It is said three pursuers came in sight of Hooper at one place and he drove them back with his revolver and got away.

TO RELEASE O'DAY.

A Number of His Friends Are Headed in the Direction of Casper, Wyo.

Casper, Wyo., Nov. 27.—A report reached this place Thursday that friends of Tom O'Day, in considerable numbers, had left the Hole in the Wall and headed in the direction of Casper, presumably bent on delivering him from the county jail. O'Day is the alleged leader of horse thieves, who was arrested near Lost Cabin several days ago and brought to jail. Fearing that the report of an intended attack was true, Sheriff Webb swore in more than 100 deputy sheriffs to defend the jail, and Thursday night the court house square is surrounded by a complete cordon of guards. A report says that O'Day's friends were seen passing a ranch between the Hole in the Wall and Casper before noon, all well armed and riding slowly in the direction of the town.

A PITCHED BATTLE.

Seventy Marines on One Side and 40 Sailors on the Other, Fight.

Norfolk, Va., Nov. 27.—With 70 marines on one side and 40 sailors on the other, a pitched battle was brought to an end Thursday by the stern orders of a number of masters-at-arms. The scene of the trouble was the government reservation at St. Helena. The cause is said to have been a fight between a marine and a landsman, in which the latter was knocked down by the former and considerably pinned.

During the melee pistols and bayonets were drawn. Several of the participants were knocked down and many were bleeding from wounds in their faces and heads, caused by coming in contact with the fists or weapons of their adversaries.

One man drew a deadly aim on one of the sailors with a pistol and the weapon was knocked out of his hand just as he pulled the trigger. The bullet went over the head of the intended victim.

Ministers of the following creeds participated in the service: Congregational, Roman Catholic, Episcopal, Jewish, Methodist, Presbyterian, Baptist, Universalist and Universalist.

Rev. S. Marquis, the Episcopalian aroused much enthusiasm by his address, in the course of which he said of denominationalism:

"It seems to me that if there is one thing more apparent than another, it is that God has refuted our denominational claims. It has been demonstrated that God works irrespective of ecclesiastical machinery and we are gradually awakening to that fact."

When arraigned before Magistrate Mayo the prisoner said he was a "double sun." None of the letters contained any threats.

MADE NEW RECORD

Vanderbilt's 30-Horse Power Gasoline Automobile Made Mile in 1:36 3-4 Up Grade.

RACED OVER A CLIMBING COURSE.

The Best Previous Time For Gasoline Vehicles Was 2:46, Made by O. Nestman Last Year.

LaRoche in a 40 Horse Power Machine Going a Mile a Minute Crashed Over a Precipice and Was Plunged Under His Vehicle.

New York, Nov. 27.—William K. Vanderbilt, Jr., made a new record with his 30-horse-power gasoline automobile Thursday over the Eagle Rock hill climbing course at Orange, N. J., and F. A. LaRoche, in a 40-horse power gasoline machine, going a mile a minute, crashed over a precipice on the mountain side. He escaped injury.

These spectacular events occurred at the third annual contest given under the auspices of the Automobile club of New Jersey. Mr. Vanderbilt's time was 1 minute 36 $\frac{3}{4}$ seconds. The best previous record for gasoline vehicles was 2 minutes 45 seconds, made by O. P. Nestman last year, and for steam vehicles, 2 minutes 43 seconds, made by W. J. Stewart two years ago. The course is approximately one mile from the start of the grade to the finish at the top. The steepest, near the top, is estimated at 15 to 17 per cent. Mr. Vanderbilt had three competitors, the event being the fifth on the program. In the seventh event Mr. LaRoche experienced the accident that came near costing him his life. In the car with him was A. J. Packard, timing.

After half the distance had been covered, Mr. LaRoche turned on more power in going down an incline. Ahead was a sharp curve leading to a steep ascent. So fast did the car shoot along that the operator lost control of it, and at the curve it crashed over a precipice. Mr. Packard was thrown headlong over a fence a few yards away, but Mr. LaRoche was plunged under the vehicle as it turned over and partially lost consciousness. Speedily recovering and finding himself uninjured, Mr. Packard rushed to the assistance of his friend. The wheels of the machine were still revolving in its overturned condition at a speed of a mile a minute. He turned off the power and then extricated Mr. LaRoche from his perilous situation.

Beyond the shaking up Mr. LaRoche's only injury was a cut four inches long on the calf of his left leg. His machine was repaired in time to compete in a later event of the meet.

IN A BLINDING SNOW STORM.

Carlisle Indians Defeated the Northwestern University.

Chicago, Nov. 27.—Carlisle Indians in Thursday's game with Northwestern university demonstrated the superiority of the football that has made the Red men formidable gridiron warriors in the east, by defeating the Purple 28 to 0. At times during the one-sided contest snow fell in such blinding swirls that the gridiron and players were concealed from the 3,000 enthusiasts who gathered to root impartially for the Evanston eleven and the popular Indians. Coach McCormick's eleven was materially weakened by the absence of Guard Phillips from the line. The old Carlisle linemen refused to

Hundreds of Maysville Citizens Can Tell You All About It.

Home endorsement, the public expression of Maysville people, should be evidence beyond dispute for every Maysville reader. Surely the experience of friends and neighbors, cheerfully given by them, will carry more weight than the utterances of strangers residing in far-away places. Read the following:

Mr. C. L. Hubbard, dairyman, of 325 West Third street, says: "I have the greatest faith in Doan's Kidney Pills. The use of less than one box ended a disturbed condition on the kidneys and an inflammation of the bladder. After some time it returned but in a lesser degree and I procured another box of Doan's Kidney Pills at J. Jas. Wood & Son's drug store. Use of it substantiated the opinion I had already formed of this effective preparation."

The marriage of Miss Mary Irene Roser to Prof. Richard F. Gaither was solemnized Wednesday afternoon at 2 o'clock at the Lewisburg Baptist Church, Rev. W. T. Spears, of the Washington Presbyterian Church, officiating, assisted by Rev. Hugh Searcy, of Ghent, Ky.

The bride and groom are among the county's most popular young people, and the church was thronged with friends and relatives to witness the nuptials and unite in the congratulations and good wishes showered upon the newly-wedded.

Messrs. Ben Kirk and George Collins, of Washington, Riley Gaither, a brother of the groom, and Rev. H. Y. Harvin, of Louisville, officiated as ushers.

The bride's dress was white silk Lansdowne, trimmed with chiffon applique, and she carried white roses. Roses of the same color tastefully arranged in her hair added to her beauty. She is a daughter of Mr. and Mrs. Jacob Roser, and a young lady of lovable character. After the ceremony the bride changed her dress for a traveling costume and the couple drove to Maysville and took the train for Cincinnati. They will reside in Ghent, Ky., where the groom is in charge of the High School. For several years he has been among Mason County's most successful teachers.

Legislation Necessary.

LEXINGTON, Ky., Nov. 54.—Dr. Carl L. Wheeler, Health Officer of this city, in speaking of the experiments now in progress at the Lakeland Asylum, which resulted in the discovery that 45 per cent. of the cattle at that institution were infected with the tuberculosis germ, is of the opinion that legislation upon the subject will be necessary before any sufficient measures can be taken to prevent the disease in cattle.

Mr. E. D. Pickett writes that the recent big religious revival at Joplin, Mo., broke the record. In seven weeks 666 confessed Christ and united with the Christian Church, giving it a membership of 1,262. Evangelist W. E. Harlow, of Springfield, Mo., was in charge of the service.

ANOTHER FIRE.

The farming implements belonged to young Mr. John Larkin, and the tobacco and hay were the property of Mr. Larkin and Mr. Wood. The total loss is about \$2,500, and the only insurance was a policy for \$500 held on the barn by Mr. Wood, in the Farmers' Mutual Aid Association.

D. Hechinger & Co.

If you count price first we will count with you. If you count quality first we will interest you. Whatever you want and whatever price you want to pay you will get the best for the money from us.

For many years we have conscientiously labored to provide the highest class of clothing that is made for our patrons and to-day our community is one of the best dressed you will find anywhere. WE HAVE JUST MADE our people buy good clothing. The same holds good with all our other departments.

Our Shoe Department though only a few years old commands the patronage of the public. Why? Because our shoes are the very best that are made in the country. Said a shoe merchant some years ago, when asked why he did not provide better men's shoes for the Maysville trade, "Oh, we could probably sell two or three pairs of \$5 or \$6 shoes, and you know that wouldn't pay." Today we sell as many \$5 and \$6 shoes as we sell of the \$3 quality. WE KNEW WHAT KIND OF SHOE PEOPLE WANT.

AGGRESSIONAL.

Lord of our far-flung battle line,
Theodore, the war god's favorite son,

Why sitest thou upon thy spine?

Arise, and hand Colombia one!

Hand her the bomb and bayonet,

Lest we forget—lest we forget—

Lest we forget how strong we are,

How terrible on land and sea;

Lest we forget that puissant tar,

G. Dewey, or San Juan and thee,

Our Attila, be with us yet,

Lest we forget—lest we forget.

Far called, our heroes melt away.

Where's Hobson, Evans, Shafter, Schley?

Where are the winds of yesterday,

The roarback, or the campaign lie?

But you are with us still, you bet!

Do something, Ted—we may forget.

Sweep like a scourge upon the foe!

Burst on him like thunderclap!

Soak him a solar plexus blow!

Oh, wipe Colombia off the map!

Show us that we're the hottest yet,

Lest we forget—lest we forget.

We Are Thankful

To the people for giving us their money for our Shoes and appreciate their good feeling to us when they say: "Mr. Means, this is the only place I could get all the shoes for my family for my money and now I have \$4.23 left, enough to buy a barrel of good flour. Hurrah for DAN COHEN. If they wear as well as they did last winter I will be back again. All my neighbors are talking of coming to you for their Shoes this fall. Say, you got any felts? Yes? What is the price of them? \$1.98 for the SNAG PROOF with a good Felt? Well, GIMME TWO PAIR."
